Perfectly situated on a large corner block opposite parkland is this truly stunning elevated FIVE bedroom home surrounded by the lushest gardens imaginable. To say this home is the epitome of what a classic Darwin home should be would be an understatement; it is so much better! Plus the location is fantastic, being walking distance to the beach, Rapid Creek Markets, Waterfront Hotel and so much more. On entering the home the first thing that strikes you is the gorgeous timber floor boards and the lush tropical gardens that are perfectly framed by each and every window, instantly the home feels warm and welcoming like you are in a private cocoon that no one else can see. The open plan living area is an L shape that wraps around and opens out to a wonderful deck overlooking the park opposite; the perfect spot for your morning coffee. A very stylish modern kitchen is the heart of the home and with the French Doors open you almost feel like you are cooking outside. Offering abundant storage and plenty of prep space this is a kitchen any chef would be happy to spend time in. The stainless steel Bosch appliances including gas cooktop, dishwasher and electric Pyrolytic oven make cooking up a storm a breeze. Also upstairs you will find four generous bedrooms all with built in robes and stunning views of the lush greenery outside. The master suite is special indeed and a true parent's hideaway. Boasting a walk in robe, ensuite and access to the fantastic rear balcony this is a space to savour. A beautifully renovated family bathroom is also on this level. A self-contained granny flat downstairs offers so many options; perfect for guest accommodation, elderly parents, studio or even an extra income stream, the choice is yours. Being surrounded by the fabulous tropical garden the outside area is truly incredible. The stunning swimming pool and the patio area adds another living space for family and friends to enjoy and there is plenty of room under the home for entertaining all year round. Being walking distance to the University, Alawa Primary School, Casuarina Secondary College and Casuarina Shopping Square the location is fabulous for families and 50 metres to the bustop. A true oasis in the suburbs, if your idea of heaven is living in a private and lush sanctuary while being able to walk to the beach, markets, pub and local shops then this home is a must see
