Step into the luxury of low-maintenance, modern living. Nestled in a prime setting, this home is the epitome of easy living and convenience. Here's what awaits you:

- Three spacious bedrooms, with the master suite exuding opulence, complete with a walk-in robe and a lavish ensuite.
- Sleek built-in robes adorn the other bedrooms, maximizing space and style.
- Dive into two expansive living zones: a sophisticated lounge at the property's forefront and a breezy open-plan space combining the kitchen and dining area.
- Ignite your culinary passions in a kitchen designed for the gourmet enthusiast: vast benchtops, top-tier stainless steel appliances, a sizable freestanding oven & cooktop, and a spacious walk-in pantry.
- Enjoy alfresco moments in the serene backyard, impeccably designed for low maintenance. Picture evening soirees on the polished concrete space, under the starry skies or perfectly covered by the gazebo.
- Additional perks? Walking distance to schools, parks and Wallan train station. Witness this gem firsthand. An experience this property promises is more than just an inspection-it's a revelation!
