What a Gorgeous, “freshened up” family residence! A very rare opportunity to rent a typical, ‘high in demand’ Duncraig residence in the current tight rental market. A wonderful 3 bedroom 2 bathroom residence with a very functional, pleasant floor plan. The property has recently been internally refurbished - new paint, new window treatments, new flooring - it really presents so nicely! There are many features you will love, however a few include; • Split System Air Conditioning unit in the Master Bedroom • Large open plan Main Lounge/Dining area • Pleasant main living area overlooking the outside cover alfresco • It probably goes without saying - the BELOW GROUND SWIMMING POOL with gorgeous water feature and grassed backyard. The Location - I think this property will lease on location alone. Apart from being across the road from Glengarry Primary School, there are a series of Community Parks and desirable community infrastructure in close proximity. Alfreton Park, Melene Reserve Playground, Salata Park, Castlefern Park, and Glengarry Park Playground - just to name a few. Available now! Small pets considered. ** Weekly rent includes monthly pool servicing provided by the Landlord, however the tenant will need to reimburse the Landlord for pool chemicals.
