This beautiful property presents like a brand new display home with a massive quality built shed at the rear. You won't find a better property in Merredin! With 5 bedrooms, 2 bathrooms and an awesome playground in the back yard this is the home you will never grow out of. All the bedrooms have BIR's with the master having an open ensuite with double vanity, double shower and separate WC. The second bathroom located centrally to 3 of the 5 bedrooms also has a double vanity, shower and separate bath. The 5th bedroom currently used as an office is situated opposite the master making it an ideal nursery for bubs. Gorgeous timber flooring leads you from the entrance down the hallway to the main living area of the home. The stunning well appointed kitchen with stainless steel appliances and large breakfast bar overlooks the open plan dining and family room with vaulted ceilings and freestanding wood fire. There's a separate theatre room with recessed ceilings and downlights which are a feature throughout the living areas. The kitchen has views across the lush rear gardens while the dining room opens onto the huge alfresco with built-in BBQ and ample bench space. To the rear of the back yard is the shed of all sheds which is fully insulated, has power connected, concrete floor and is fully secure with remote roller door and PA door. At the western end there is quality built-in shelving all the way to the roof, with built-in benches the full length of the shed and a mezzanine floor at the eastern end. The roof is high enough to accommodate a hoist and LED lighting completes the package. For the kids there is a well designed play ground with fort, sand pit and monkey bars and lush green lawn to play. The Merredin College which caters for children from kindergarten to year 12 is conveniently located in the next street making it a very short walk to school. This beautiful family home has something for everyone. It's well worth every penny so come and have a tour! All enquiries to exclusive selling agents Elders Real Estate.
