This 3 bedroom home is located in the harbour town of Strahan on the West Coast of Tasmania. Strahan was the winner of the 2022 Tiny Tourist Town so there is plenty to do in Strahan and plenty of opportunities. Adventure on the sand dunes, swim in the wildest ocean, fish, take the steam train through the rugged wilderness or a boat ride to Hells Gate and down the Franklin River. For something more relaxing just sit on the esplanade and sample great coffee and food whilst watching the boats. All these things to do while setting up your dream home in this old lady. High ceilings, fireplaces and large doors. The established trees and garden provide privacy and a tranquil setting for the family. The back yard includes an old shed with concrete floor and enough character to transform into an inviting studio. There is a large chook pen for those looking for more of the country life.
