Are you looking for a private and peaceful coastal home? Look no further! This beautiful Queenslander style home is surrounded by scenic farmland and is only a short 5 minute drive from beautiful Bargara beach. The home boasts four generously sized bedrooms, a large kitchen and dining area, and plenty of air-conditioned living space. The over sized main bedroom features an ensuite, plenty of wardrobe space, and access to the verandah. The lower level features an enormous rumpus room with a kitchenette, bedroom, and bathroom. This space could be used as the ultimate 'cave', teenager retreat, or a self-contained Air BNB or rental. There is also an additional storage room that could be easily converted into an additional bedroom or office space. The home sits on a large 1464 sqm fenced block with plenty of tank water and a bore for watering. The property also features a large front verandah, a back deck with rural views, car parking under the home, and a rustic carport in the backyard plus a workshop filled with character. This home has everything you need for space, size, peace, and privacy, all while being close to the beach, shopping, Bargara State School, and the turtles at Mon Repos.
