Stylish, spacious and sophisticated, this inviting modern residence has the ability to accommodate a family with ease throughout a dual level format featuring 5 double bedrooms, each accompanied by a walk-in robe. Substantial living, dining and entertaining areas surround a central kitchen equipped with stone surfaces, stainless steel appliances, a meals island and walk-in pantry. Bi-fold doors on two aspects create seamless links to alfresco decking and the elegant, low-maintenance backdrop of a home where the main bedroom, its walk-in robe and ensuite are desirably zoned downstairs. Above, the 4 further bedrooms and the family bathroom surround a generous, flexible rumpus room, retreat or children's lounge. Heating, cooling, fibre to the premises NBN connectivity, new LED downlights, double garage and parking for a further 2 cars are amongst the extra attraction of this ideal address, close to Arndell Park Kindergarten, Truganina South Primary School, Dohertys Creek P-9 College, Westbourne Grammar School, St Clare's Catholic Primary School and the Al-Taqwa College campus. Trains, shopping and the freeway are all easily accessed too!
