\$1,000,000

This outstanding family home offers a luxurious feeling throughout the entire space. Soft white carpet, tasteful design features and natural light flow from room to room creating an ambience of warmth and style. Living opposite the park is like having an extra garden for the children to enjoy. This is a great opportunity to own a contemporary home in a quiet, desired location. Four spacious bedrooms plus study and family retreat, main with walk in robe and en suite with sunken spa. It's the sophisticated things that make such a big difference. Open plan family area boasts informal meals and lounge area and stunning kitchen, Stylish formal lounge and adjoining dining room add an elegant touch of class plus a further entertainment room offering true multi-zoned living. Stainless steel appliances, sleek cabinetry, storage and wonderful sunlight flowing in from every window. The covered outdoor area offers the perfect place for alfresco dining or private family occasions. Stunning design, front landscaped garden and features that offer a real touch of class, this is a comfortable family home you will enjoy today and well into the future. Features: Sizeable 2nd bathroom, evaporative cooling, close to park, security alarm and Dbl lock up garage. Located only moments from every possible amenity, Sanctuary Lakes Shopping Center, Point Cook Town Center, freeway access, childcare, schools, parks and public transport this location is the epitome of convenience. Land size - 626m²
