Property description: Luxury Family Home In Prime Lakefront Position Recently treated to a complete renovation, this fresh and flawless family home invites you to settle straight into a peaceful lakefront lifestyle within the Robina Quays community. The now chic abode commands attention from its prime position atop a north-east facing 840m² block, which benefits from 19.8m of frontage to a tranquil stretch of West Lake. Elements of art deco architecture, including elegant curves and archways, complement the fresh coastal luxe design. The warmth of American oak counterbalances a soothing palette of neutral tones that play out across stone finishes, custom cabinetry, and microcement flooring. The bright and airy interior features four spacious bedrooms and a choice of separate living zones. A deluxe top-level master suite captures elevated lake vistas, while Taj Mahal quartzite stone and a custom curved island make a luxurious statement in the chef's kitchen. A covered entertaining area overlooks the large lakefront swimming pool, which is perfectly appointed for day-long sunlight. Low-maintenance gardens flank the fully-fenced property, while flat lawns provide secure areas for children and pets to play. Ideally located within the Robina Quays community, this central address offers proximity to conveniences, schools and beaches. A short drive opens up the dining and retail options at Robina Town Centre. Reach patrolled sand and surf by car in less than 15 minutes, or spend a day on the green at a choice of nearby golf courses. Well-appointed for families, the property sits in the catchment for Robina State School and Robina State High School, and offers proximity to highly regarded St Vincent's Primary School and Somerset College. The M1 is nearby, opening up an easy commute north or south. Relish peaceful lakefront living within this brand-new coastal luxe abode – contact Ryan Ward 0405 309 359.
