Expressions of Interest

This highly productive dairy farm located in the heart of Tasmania's North East at Springfield, presents an ideal opportunity for lucrative dairy farming in a picturesque setting. Milking around 700 cows (approx.) this season, with a target of 380,000kg of milk solids. Abundant water sources ensure year-round productivity supplied from the Great Forester River tributary, which traverses the farm and supplies 7 centre pivots and solid set irrigators covering some 550 acres (approx.). The property features really good infrastructure, including the following:

- An executive 4 bedroom home, plus 2 x 3 bedroom farm houses
- 54 unit rotary dairy with 30,000 litre milk storage, 2 silos
- Automatic: cup removers, teat spray, grain feeders and Alta Cow Watch collars
- 3 large sheds for machinery, hay, calves
- Large concrete feed pad, feed bunkers and calving barn
- Very good fencing and lanes throughout the farm

An opportunity not to be missed, get in touch today to arrange an inspection.
