Situated with rural views perfect for a retiree downsizing, or a young couple to get into their first cosy home. The property has had a major landscape improvements carried out. There is an area at the rear of the home to add rooms to the existing home if desired. This area has been graveled and leveled ready for building if you wish. The home has 2 bedrooms and catches the sun all day with its Northerly aspect. The vendor will include if a buyer is prepared to pay the asking price then the 2 Robot Lawn Mowers will be included, wood heater in the shed, and 4 mounted hose reels and hoses. The lawns are immaculate just like a bowling green. The property is only 7 minute's drive to Smithton, and the Irishtown Shop is just around the corner from the property.
