The Delaware has been cleverly designed with growing families in mind, with 4 bedrooms (all with built in wardrobes!) and a double garage, this home will offer you enough space for the whole family. The kitchen is truly the heart of the home at the Delaware, with living and dining opening to the alfresco area – the perfect place for entertaining with friends and family. Having the main bedroom placed at the front, you can enjoy a bit of privacy from the rest of the house.* Images depicted on this site are for illustration purposes only.
