This two storey family home, built in 2014, boasts four bedrooms, an open-plan layout, and an inviting undercover deck with scenic views. The open plan living area, serving as the hub of the home, showcases recently repolished beautiful hardwood floors. These add a touch of elegance to the space, creating a warm and inviting atmosphere for family activities and entertaining. This master retreat is beautiful space to enjoy, offering a unique experience with a shower featuring floor-to-ceiling glass. This design adds a modern and luxurious touch, creating a standout feature in the home's amenities. The flexible downstairs area includes a fourth bedroom, full bathroom, laundry, and a rumpus room leading to another decking area. Surrounded by quality homes in a quiet Youngtown locale, this home offers a tranquil bushland setting on 1616m² of land. The low-maintenance gardens complement the natural surroundings. The fire pit area adds an incredible touch to the home, providing a brilliant space for gatherings. It enhances the overall appeal and offers a cozy spot for socializing and enjoying the outdoors. Conveniently located near shops, schools, and public transport, it's a must-see for families. Complete with a 10kw Solar system in place, this home ensures minimal ongoing living costs, allowing you to sit back and truly enjoy life. Council rates: \$ 670 p/q approx.
