Renovated with serious design panache, this double-storey home captures the essence of family elegance and flexibility with its remarkable dimensions and premium-grade details. A sleek neutral colour palette flows throughout the home with careful attention to design details. With 3 lounges serving the home's formal and informal entertaining areas the family-oriented layout can easily contract or expand to serve everyone's needs. The inclusion of a new pool with fully-automated salt chlorinated system and 19kW heat pump makes a splash with a Palm Springs-inspired alfresco setting spilling from an open meals area. A chef's dream, the beautifully appointed new kitchen with extraordinarily generous walk-in pantry, includes Caesarstone benchtops, custom cabinetry, Fisher & Paykel dual electric oven stack and 900mm induction cooktop and Carrera marble tiled splashback, equipping the heart of the home to host at every level. Poolside allure extends to the first-floor balcony, where sun-drenched entertaining becomes an extension of a first-floor rumpus. Providing parents with the ultimate in accommodation, the master bedroom with stylish ensuite and walk-in robe compliments four additional bedrooms, a stylish main bathroom and separate powder room, all of which include feature tiles and backlit mirrors with Bluetooth. Keeping climate control easy with smart ducted heating, a wood fire heater, 8x smart reverse-cycle heating and cooling units across the home, and evaporative cooling upstairs, year round comfort is assured. Feature-packed for elite family living, this sensational home comes complete with a 4-car driveway and double garage with separate car/boat space, workshop with storage and power, three-phase electrical, 11kW solar system, custom blinds, and a smart lighting plan. While maintaining a modern and practical design, this five-bedroom residence stands out in a prestigious beachside location, only moments from Kunyung Primary School, Mount Eliza Village and Moondah Beach.
