Situated in the Brightwater estate, this executive home has edge and sophistication in its style and design. Offering an exemplary level of finish, the original builders own home has had no expense spared in creating a modern residence with high end finishes. A striking industrial façade welcomes you into the home with high ceilings and square set cornicing with a moody inviting colour palette. At the front of the home two large bedrooms with built-ins are separated by the retreat or second living area. As you make your way down the hall, the central living and hub of the home features air-conditioning and a raked ceiling. The central island kitchen has a high end finish with stainless steel appliances and dish drawer dishwashers. The stone top bench compliments the modern aesthetic. There is a built-in workstation with cabinetry as well as a custom entertainment unit tying in the spacious open plan living area. The family room opens onto a large alfresco area under main roof, that overlooks the manicured green lawns of the backyard. There is a full custom fitted laundry room as well as a fourth bedroom at the rear of the home. The master suite is positioned at the very back of the home with a custom fitted walk-in robe and modern ensuite with exposed block feature wall. This home is without doubt one of the most impressively stylish homes in Brightwater with its striking design and high end finish. - Four Bedrooms With Built-ins + Study Nook - Single Level Builders Own Home - Large 400sqm Allotment - Spacious Backyard - Large Alfresco Area Off Casual Living Area - Separate Retreat Area - Room For A Pool - Modern Designer Kitchen - Island Kitchen With Stone Benchtops - Large Laundry With Custom Cabinetry - Spacious Custom Fitted Dressing Room - Modern Stylish Ensuite - Ideal Floorplan For Growing Children - High Ceilings & Square Set Cornice - Air-conditioned Living - Double Remote Garage - Epoxy Flooring Garage - Ample Storage Throughout - Generous Grassed Backyard - Current Rental Appraisal \$800.00 Per Week - Close To Schools & Shops This designer residence simply must be inspected to be appreciated...
