\$1,400

Lovely Split Level beach house located in central Sunshine Beach. The property features two living areas, 5 bedrooms and 3 bathrooms to accommodate the whole family over split levels. The 5th bedroom with private access would make a perfect office, studio or treatment room. Extensive use of decks, bi-fold and sliding doors, courtyards and a beautiful new sparkling pool invite outdoor living and entertaining. Established tropical low maintenance gardens and paths offer the best of nature and practicality. This property is available Fully Furnished Only and we are looking for a 6 or 12 month lease. The start date of the lease is 19/07/24 but can be earlier for the right tenant. New 8kw roof solar panels for the environment take care of the power bills. Ducted air-conditioning provides comfort all year. A long single garage means extra space for storage or a work area, and there is space for 4 more cars inside the automated gate. Just moments to walks in the Noosa National Park, the pristine Sunshine Beach and the iconic Sunshine Beach Village ensures every day feels like being on the perfect holiday. Please join us on one of our open homes. Feel free to give us a call if you have any questions: 07 5447 2451.
