Presenting a charming 3-bedroom home, this property caters to retirees, first-time home buyers and savvy investors alike. The spacious master bedroom, located at the front of the home, boasts large floor-to-ceiling built-in robes and direct access to the generous main bathroom. Moving deeper into the home, two additional bedrooms feature built-in robes and ceiling fans, ensuring comfort for every resident. The lounge is generously sized and features a large bay window for added space and natural light. The modern kitchen, overlooking a second living/dining area, offers ample bench and cupboard space, including a large corner pantry. Appliances such as a dishwasher, gas cooktop, and wall oven elevate the kitchen's functionality. Ducted cooling throughout the entire home ensures comfort, complemented by two gas heaters for cooler weather. Step outside to discover a delightful undercover pergola with awnings on the west side, providing shade from the afternoon sun. The property also includes a shed (6m x 3m) with a concrete floor and power. The private backyard, free from rear neighbours, offers a serene retreat, whilst an automatic sprinkler system allows you the extra time to relax and enjoy your beautiful surroundings.
