View Strictly By Appointment Only An idyllic lifestyle awaits..... this architecturally designed, master-built residence delivers the ultimate in tranquil, contemporary living. Set in one of Pittwater's most exclusive enclaves this absolute waterfront home combines the conveniences of modern living with the surrounding natural beauty of shimmering bays and the wide leafy expanses of Ku-Ring-Gai Chase National Park. The split-level design is extremely functional and magnificent Pittwater views are enjoyed from almost every room. There are 4 well-proportioned bedrooms and the oversized study/loft can also offer a 5th bedroom option if needed. Multiple living areas, both indoor and outdoor provide outstanding opportunities to relax and entertain. Easy access to the waterfront facilities is assured via either inclinator or garden pathway...and once on the water, the enjoyment levels of this great property are even more obvious. The Boatshed / Studio features a kitchen, bathroom and loft space, whilst a deep-water pontoon completes the perfect Pittwater package. Immaculately presented and extremely well maintained, there truly is not a cent to spend – just move in and relax. Generous car accommodation, a scarcity in this locale is an added bonus. With fewer than 55 homes in this picturesque and friendly community you will love how peaceful, yet vibrant this idyllic waterfront hamlet is. A picturesque walk to Cottage Point Inn, the Kiosk and other local facilities, a short drive to Terrey Hills, and less than an hour away from the Sydney CBD – welcome to paradise.
