Introducing an exquisite Greensborough home, boasting an extensive transformation where no expense has been spared. Elegantly positioned on a manicured 590m² garden allotment, this exceptional property gleams as a result of an unparalleled renovation. The heart of the home offers a renovated kitchen with quality appliances and stone benchtops. Seamlessly connected to a living and dining space that connects to a covered alfresco to allow for year round indoor-outdoor entertaining. Offering three generously sized bedrooms, recently refreshed, all serviced by two updated bathrooms. An additional second living zone comes equipped with fireplace and offers a peaceful retreat at the front of the home. With comforts including ducted heating, split system cooling throughout, an array of recent updates from top to bottom and a European laundry completing this floorplan. With recently landscaped gardens front and back, new driveway and fences, and huge double garage this property is truly move in ready. Nestled in a convenient part of Greensborough, close to Watsonia Heights Primary School and just moments from Greensborough College. With bus service, parks and train station all within close proximity this property offers a lot and is sure to impress!
