Experience stunning views of the surrounding countryside and mountains from the spacious living room and modern, brand new open-plan kitchen and dining room. A pristine, modern bathroom includes a separate shower and bathtub, and leading out from the dining area you will also discover a generously sized laundry room with heaps of storage space. The home features built-in robes in all bedrooms, has double-glazed windows and is fully insulated with wood heating and a heat pump in the living room and electric heating in the kitchen/dining area. Outside on the spacious 1625m² block you will find mature, landscaped gardens complete with a fish pond!
