Rarely does an opportunity present itself to acquire a property that has so much to offer. Situated in a tightly held area so close to the city and Kennington amenities including Harry Trott Oval, Schools, shops and so much more. This enviable location offers options as a large family home or for potential subdivision of the large 1,309m² allotment (STCA). Purchasers will be instantly drawn to the street appeal of this California bungalow and fall in love with the original features throughout the home. The four bedrooms will accommodate the family easily and 2 large living areas showcase the 12ft decorative ceilings found throughout the home. Outside currently offers multiple shedding options and a large grassed area for the kids to play happily. The features are endless and can only truly be appreciated by inspecting this property. Don't miss your chance to give this timeless beauty a new beginning and reap the rewards in the future.
