Boasting the most amazing views from almost every room of the house this magnificent home is spacious, sunny and caters for every member of the family. The upper level of the home consists of 5 bedrooms, 2 bathrooms and a sitting room. The master suite features a walk-in robe, refurbished en-suite with shower, vanity and toilet plus it's own sitting room facing due north and of course, amazing views. The four remaining bedrooms also enjoy far reaching views and each has its own built-in wardrobe. The family bathroom has also been newly refurbished and provides a separate bath, shower, toilet and vanity. Downstairs you will find the huge open plan lounge and dining area that opens out to another sun catching room - again all with superb views of the water and mountains beyond. This area also offers a choice for winter warming by way of a reverse cycle Daikin heat pump or free-standing Saxon woodheater. The cook doesn't miss out on a view to die for either whilst working in the well appointed kitchen consisting of ample bench and cupboard space, quality oven, cooktop, rangehood and dishwasher plus a large walk-in pantry. On this same level there is a second family/pool room, 3rd toilet and the laundry. Access to the huge north facing, roofed deck is via the sunroom or laundry and this is where you are bound to spend many hours relaxing, relishing the unimpeded views. Outdoor storage space is well catered for with two separate areas for storage of toys and tools. Parking is also incredible here with secure undercover parking for two vehicles, off street parking for another two, plus further secure parking space for your trailer, boat or caravan. And all with level access! New carpet has just been laid throughout the home and is now "move in" ready.
