One of Martha Cove Marina's largest terrace homes, this luxury corner residence with walk-in access to both levels delivers a stunning display of relaxed harbour living. This is a design of distinction. It utilises the slope of the block to achieve stair-free ground-floor entry from the front, plus stair-free entry to the upper level, from the rear. The master suite is zoned to the upper level with the family zone, offering downsizers the ability to enjoy single-level-style living with views. This large corner block rests in a superior location close to the harbourside boardwalk and a nearby playground, and 10 minutes' walk (approx) to the beach. Luxury pairs with liveability, courtesy of a deluxe stone kitchen, spacious dimensions, high ceilings, excellent storage, and a broad wraparound deck gazing at Arthurs Seat. Dine alfresco watching the kids or grandkids play in the nearby park, walk to Martha's Table for brunch, and enjoy lovely natural light, gardens front and rear, and a quiet marina setting. Other highlights include open-plan living with bamboo flooring, a gas cooktop, zoned reverse cycle ducted heating and cooling, partial double glazing, a bar, 24/7 marina security, a duress alarm, a remote double garage with internal entry, on-street parking nearby, and more.
