Are you sick of life in town and over the rat race? Are you looking for a change of pace on a few acres and need a project? If this sounds like you, I think this could be the property for you. Sitting on just under 4 acres of flat ground, with river frontage this property represents as an opportunity to smell the fresh air, run some sheep (or what ever animals take your fancy) have some chooks and enjoy country living. The house is solid but will need some work, it offers an open plan living area, 3 bedrooms and a huge sunroom/ rumpus room. The bathroom has been already renovated and there is a large double garage with workshop. This a great little property that's offers a lot of potential and a great lifestyle*Harcourts Burnie has no reason to doubt the accuracy of the information in this document which has been sourced from means which are considered reliable, however we cannot guarantee accuracy.
