• "Cape View" represents all that is desirable about the enviable Byron Hinterland lifestyle• The architecturally designed residence is remotely positioned on 85 acres of rolling green countryside offering panoramic world class scenery in every direction• Total privacy and a sense of tranquillity are keys to the light filled home working in synergy with the surrounding verdant farmland• Blessed by the spring fed waters of Tinderbox Creek.... The aquatic landscaping potential is an exciting prospect to contemplate• The rural zoning allows for a second residence to be positioned higher up the ridge... again with truly special scenery on offer through pockets of shady rainforest• The living and accommodation zones are separated by the expansive breezeway that flows seamlessly from lighthouse views to the pool and entertainment courtyard• With a short 4 minute drive to Bangalow Village and just 10 minutes to the heart of Byron Bay, "Cape View" is a rare and special property that enjoys a gifted position in the Byron Hinterland
