Presiding with grandeur over its 1881sqm block, this dual-level domain blends timeless elegance with endless appeal for family living. Distinguished by its flowing in/outdoor design, spellbinding ocean views, sleek master pavilion and lush gardens complete with statuary, waterfalls and heated pool, it offers a genuine oasis where no expense has been spared. Please be advised that the master bedroom, ensuite and gym are completely detached from the main house, so not really suitable for young children. Quarterly yard maintenance and monthly pool care can be added cost to the rent if needed.
