A wonderful synergy of accommodation and relaxation awaits your arrival. Generously sized bedrooms with built in robes, air conditioning and fans, are located at the opposite end of the living and dining area. The enclosed garage, now offers the option as rumpus / bedding / office, whatever the need for additional space is required. The bathroom has undergone recent improvement and the kitchen is years away from needing attention as well. Fresh paint has lifted the homes appeal inside and out and a new roof was installed in 2023. The covered entertaining area at rear has volume and is the perfect location to house family and friends for any gathering. The 779m² allotment offers remaining yard for children and pets, with an existing older shed on site. Dual points exist for side entry, with the potential to install a future upgraded shed in the coming years. Many of life's essential needs are only minutes away, including groceries, sports fields and clubs, the Mackay Airport, Paget Industrial Estate, Botanic Gardens and the Mackay Base Hospital. Inviting all savvy buyers, seeking a new address or rental income to inspect.
