One of Melbourne's fastest growing areas, a short walk from acres of parks, shops, and schools.

An elegant ensuite with dual basins joins a luxe WIR in serving a considerable master, while a trio of guest bedrooms are accompanied by BIRs and a tasteful main bathroom with a separate WC. A front lounge complements an open living/dining. Tailored for large groups, a gourmet kitchen boasts a stainless 900mm Westinghouse cooker with gas top, Westinghouse dishwasher, tiled splashback, and walk-in pantry, while stone benches span a waterfall island, main bench, and each bathroom vanity. A specialty alfresco meets an easily kept backyard, offering a handy shed and ample grassed area. Features include ducted heating/evaporative cooling, solar hot water, wood heater, mobile-integrated CCTV and alarm, NBN connectivity, double glazed windows throughout, island bench pendants, plantation shutters, powder room (3rd WC), and internal/yard access to both a full-size laundry and R/C double garage with split system. Moments from Bacchus Marsh Grammar, it's zoned to Springside West Secondary and Aintree Primary, while a short walk to Coles shopping precinct, Frontier Park ovals, buses, and acres of tranquil greenery.
