With Centennial Park at the end of the street and a village green style playground at its heart, it's little wonder that Dangar Street is renowned as the dress circle of Randwick North. Built in the early 1900s on a deep dual access block, this freestanding Federation home has undergone a stylish designer renovation to create a superb family home and easy entertainer with rear lane access to double garaging. A fluid layout from front to back invites relaxation with a sunny child-friendly garden at the rear with a lush level lawn and plenty of room for a pool as well as potential for a studio above the lock-up garage. Streamlined interiors capture the essence of classic contemporary elegance with four double bedrooms including a king-sized master suite and ducted air for year-round comfort. Flawlessly presented and ready to move straight in, this is a fantastic opportunity to secure a turnkey property in a family friendly neighbourhood footsteps to Nooks Place for great coffee and a short walk to renowned schools including Randwick Public School, Emanuel School and St Margaret Mary's Catholic Primary.*?High side of the street, 420sqm approx*?Fully renovated and impeccably appointed*?4 double bedrooms with built-in robes *?Main with a sitting room and ensuite *?French doors to a lush front garden *?Polished hardwood floors, high ceilings*?Light well brings in the northerly sun*?Caesarstone kitchen in Calacatta Nuvo*?European made Electrolux appliances*?Gas cooktop, integrated dishwasher *?Deep breakfast bar and Blum cabinetry *?Free-flowing living and dining space *?Entertainer's terrace, automated roof*?Sunny garden with a child-friendly lawn*?Family bathroom, Moroccan Zellige tiles*?Custom-fitted laundry with extra storage*?Double auto lock-up garage via Dangar Lane*?100m stroll down to Govett Street Playground*?400m to Centennial Park and the Duck Pond*?550m to Tucker and Little Green Bean Espresso*?Easy access to Bronte and Clovelly Beaches
