This fantastic 3 bedroom recently updated home is set over 3 levels, and is perfect for multi-generational use. Only a very short walk to the shops, cafes and beach, the home enjoys plenty of space with a huge living area/bedroom on the ground floor, complete with a built-in bar, separate bathroom and split system. This level can also be closed off from the rest of the home, and has direct access from outside. On the second level there are 2 bedrooms and a study (including a huge master bedroom), and the top level enjoys a large living area with split system, beautifully updated kitchen, and a fabulous front deck! The property has been very tastefully renovated and updated by the current owners, and is ready for it's next family to enjoy! Call today to arrange your inspection.
