This two-bedroomed house overlooks farmland, bringing wildlife to your doorstep. Look past the furniture (which will be removed) and see the good polished floorboards, with carpet in the second bedroom. You get a very large lounge with a small patio facing farmland, and a large kitchen. This will sell as is and can rent for \$280/week. Do a few repairs (we have the maintenance people ready to go) while you earn the income. The builder has his ducks in a row, and can provide any info needed on works to be done. Property Code: 1568
