\$1,085,000

This approx. 5.9 acre property on flat land, is located only a short 3.8kms to Foster's Main Street, yet has the feeling of space and serenity. Located at the end of the no through road and down a long meandering driveway, the home is surrounded by paddocks and positioned to take advantage of the spectacular views of Wilsons Prom and the Foster North / Toora Hills and Hoddle Ranges. The home is a fully renovated 3 bedroom home with charming character features including high ceilings, ornate cornicing and doors, polished floor boards yet all the modern comforts of a fully renovated bathroom and kitchen, gas fire place, split system and new carpets, windows and paintwork throughout. The open plan dining / living area has floor to ceiling windows and doors allowing plenty of natural light to enter the home. A country style kitchen with large induction cooktop and electric oven, timber benchtops, dishwasher, pantry and large windows over the rear yard and Foster Hills. 2 lounge areas able to be separated from each other, one with charming gas fire place and a cosy place to sit, with the other a sunken lounge area with large picture windows towards the Wilsons Prom. Three large bedrooms with carpet, windows and no-bo panel heaters. A central bathroom which has large walk in shower, toilet and vanity. A traditional mud room / entry way and a fully renovated laundry with benchtops and storage and a second toilet complete the internal features of the home. The front veranda is one of many spots to sit and enjoy the day, with traditional brick paving and framed to take advantage of those views toward Wilsons Prom. A undercover BBQ area with power and concrete floor, built in BBQ overlooks the Hoddle Ranges and Foster/ Toora Hills. Many other little areas to sit and enjoy attached to the house depending on the mood or the direction of the sun. Ample shedding, with an original 3 bay shed / workshop near the house along side a wood shed and garden shed. A recent addition is the extra large 4 bay shed which can house 4 cars, with a work from home space / office space added, loft space and an open yet covered bay providing additional space to store the van or boat. The land is divided into 4 paddocks, a front paddock with dam ideal for the horses or a few animals, the house paddock, an additional paddock to the rear of the home with a dam and a large rear paddock ideal for rotating the animals or cutting annual hay. A large front lawn area which is used for camping and vans when the family is around, with a fire pit area with seating. Raised veggie gardens, ample water with 4 tanks connected to the house, recently upgraded septic system and solar panels to assist with reducing those ever increasing power bills. The property is neat as a pin and ready to move into with nothing to do. A rare opportunity to secure a flat lifestyle property so close to town with amazing views.
