Entered from its second frontage to Cole Street, complemented by appealing privacy and hugely desirable proximity to The Esplanade and the water, this dual level residence represents a wonderful opportunity in one of Williamstown's most prized pockets. A townhouse design that has stood the test of time offers the option to continue enjoying its welcoming spaces while considering the scope for creating a fresh contemporary home. Prepared plans are available, currently pending council approval, that will take even greater advantage of this sensational location. Effectively screened by its established front garden, the downstairs living and dining area leads to an updated kitchen and rear courtyard of appealing size and seclusion. Above, three double bedrooms sharing a modern bathroom define the upstairs accommodation. Reverse cycle heating/cooling units, downstairs laundry and powder room and a garage accessed from Cole Street complete a captivating picture.
