This is truly an enviable Callala Bay location, tucked into a quiet street and backing onto tranquil native bushland. Living in Callala will certainly change your lifestyle and outdoor dining will become your favourite thing to do with a fabulous summer room at the rear, the ideal spot for a BBQ with family and friends. The generous block of approximately 1,051m² is level, fenced and lovely lush green gardens and trees. The home has been well cared for and features a separate lounge room and attractive kitchen adjoining the dining room. The bathroom, kitchen and laundry have been renovated, and practical near-new flooring has been laid throughout. The three bedrooms all boast built in robes. There's plenty of room for the cars, caravan and boat with a double garage and lots of yard space. Other features include ceiling fans, a garden shed and pedestrian access onto the bush path at the rear of the home, leading down to the waters of Jervis Bay. Whether you are looking to occupy it yourself or want to secure a quality investment, it is hard to beat this one for value. Ideally located, close to shops, primary school and just a short walk to the water, this great property is certainly worthy of your attention.
