Period elegance and modern excellence achieve a beautifully harmonious balance throughout this wonderful family home, one of Victoria Street's prettiest properties, walking distance from Williamstown High School and the beach. The classical character of renovated original rooms is complemented by the open-plan mood of living and dining spaces that feature a superb kitchen equipped with a Calacatta stone splashback, butler's pantry and 900mm Victoria Smeg appliances in gleaming black. Four bedrooms and three bathrooms include a luxurious loft style sky-lit master suite in an upstairs zone of its own, with a brilliant balcony retreat. The allure is irresistible! Seamless flow to alfresco areas creates perfect environs for entertaining before this exceptional address concludes with a secure double garage, incorporating an air-conditioned wine cellar, and the added convenience of a single carport.
