Located in picturesque Gawler, this 3-bedroom brick home is situated on a 2789m² level allotment offering gorgeous rural views of the surrounding farmland plus sea & mountain views. The home consists of 3 generously sized bedrooms, main bathroom with bath, shower & vanity and there is a separate toilet close by for convenience. Country kitchen has been updated with quality appliances and offers an abundance of storage options. Sun-filled dining room captures plenty of natural light providing warmth throughout the home. The lounge room is spacious and is perfect for relaxing with the family after a long day at work. Double garage plus workshop with power is a generous 16.6m x 7.0m (approx.) and a great space for the home handyman or mechanic plus the ultimate mancave. Outbuildings include a cubby house, hot house and chicken coop. There are established gardens along with a variety of fruit trees. Solar panels (18 x 6.6kW). Dam and tank water. Highly recommended for viewing.
