

656 Sunnyside Loop Road, Tenterfield, NSW 2372

Residential Land For Sale

Monday, 22 January 2024

656 Sunnyside Loop Road, Tenterfield, NSW 2372

Area: 2 m2

Type: Residential Land

Glen Curry

0412269363

\$280,000

With 2 blocks already sold in this new subdivision, the opportunity to secure your own 2 hectare building site with exceptional views, bitumen road frontage and a great location, is now available. Our vendor has gone the extra mile again with their subdivision, each block has long life gal fencing including the hardware and ringlock wire, double gated bitumen entrances, a water hole and power running across the eastern end. The lay of the land makes for minimal earthworks for building and each block has its own point of difference. The exceptional views take in Doctors Nose to the south, open grazing and granite country to the east and mountain ranges and National Parks to the north, whilst being less than 10km from the Tenterfield town centre. With access to 2 school bus runs, why not become a part of the vibrant Sunnyside community with the nearby historic hall being home to a local car club, RFS station and host to many events throughout the year.
