Provenance Bendigo, a master-planned in the city's largest community. Set amongst pristine bushland, it offers a vibrant owner occupied community and convenient living, close to nature, perfect for growing families, retirees or those looking for a relaxed lifestyle within a like minded community. Build your dream home and be a part of this exciting estate, where open spaces harmoniously blend with cleverly crafted design, giving you the ultimate comfort. Imagine stepping into a flawlessly maintained public space, its cleanliness and organization immediately apparent. Every aspect of this space has been carefully considered to optimize functionality, from the layout of seating areas to the placement of waste receptacles for efficient waste management. Sustainability lies at the heart of its design, with eco-conscious materials and practices implemented throughout. Energy efficiency is a priority, with intelligent lighting systems and renewable energy sources minimizing environmental impact. This exemplary public space stands as a testament to cleanliness, efficiency, and sustainability, offering a welcoming environment. Home design doesn't get much better than the Windsor 28. Step into the kitchen for simple, yet clever design. As you enter from the hallway, a generous island bench is to one side with the dining room adjacent, ideal for the entertainer. With your double sink and oven located on the side of the kitchen, your island bench in the centre of the room clear for loads of bench space. What else? Well, the storage is plentiful. You've got a walk-in-linen, walk-in-pantry (chat to your New Homes Coach about the Butler's Pantry option too!), and your laundry is a decent size with sliding door access to the outside. You also get a separate study and a theatre room to the front of the home. If you're needing a home which has extra closet space, the Windsor 28 ticks all the boxes. The master bedroom has two walk in robes, and you'll also find a walk in robe in two other bedrooms within the home. Handy Hint: If you're looking for a boujee upgrade, a window splashback would look amazing in this kitchen.
