T H E S U B U R B This lovely 3 bedroom 2 bathroom home with secure double garage is situated in a prime central location. Innaloo Shopping Centre is only an easy 1 minute drive from this very location, consisting of Woolworths, Coles, K-mart, Target and many other great stores! Also just a 2 minute drive is Karrinyup shopping centre providing more convenient stores such as Myer, David Jones, Coffee Club and much more! Also located within the Innaloo suburb just a 2 minute drive is the local Morris Place Shopping Complex where you will find an IGA for all your grocery needs plus a pharmacy, post office, news agency and many other shops..Not only do you have all these amenities at your fingertips but you will also be just a 10 minute drive to our beautiful coast line that Perth provides us.

T R A N S P O R T Innaloo is served by bus links to Stirling train station on the Joondalup Line, including the 410, 412, 421, 424 and the 98/99 CircleRoute, and the 423 and 425 along the Karrinyup Road boundary. Additionally, the 990 services link Scarborough and the Glendalough railway station along Innaloo's southern boundary. Innaloo's location next to the rail line makes it one of the best served areas for public transport in Perth. Having many bus stops scattered through Innaloo makes it a breeze to get around.

T H E H O M E This beautiful 3 bedroom, 2 bathroom home is located in the heart of Innaloo. From the moment you step through the door it will immediately strike you with its modern and well maintained features. The hub of the home consists of a bright, clean and tidy Kitchen that features ample amounts of storage space, double sink, rangehood and gas cooktop. The living and dining area is a great space for everyone to sit and relax. All bedrooms are of great size with mirrored sliding wardrobes and the Master Bedroom has an amazing space for storage with built in robes, ceiling fans and air-conditioning. This little gem also features two beautiful bathrooms and a fantastic sized laundry! Stepping outside this home offers a great alfresco area that is easy to maintain.
