Idyllically situated in a coveted precinct, this character-rich block-fronted Victorian residence's appealing proportions and period originality provide the chance to preserve its past and reshape its future with an inspired renovation designed to your own tastes and requirements (STCA). High ceilings and whitewashed Baltic pine floors flow through the wide hall to three double bedrooms, two with decorative fireplaces and a generous living room with an open fire. There is also a pristine bathroom with Euro-laundry and a well-equipped kitchen leading out to a private leafy courtyard. Enjoying a highly sought after inner urban lifestyle location, it is just a short stroll to Hawksburn Village, High St shops and cafes, Toorak station, trams, Prahran Market, Chapel St, Victoria Gardens and Orrong Park.
