Brimming With Eclectic Charm

Immersed in leafy surrounds within a coveted locale this charming three bedroom Californian Bungalow with a separate workshop/home office merges eclectic charm with a streamlined floorplan that meets the needs of contemporary living with ease with a stunning, mature gardens. Beyond bedrooms complemented by a stylish bathroom, this home retaining its lofty ceilings offers family living and dining that is spacious and seamlessly connected to a north-facing garden with citrus and olive trees perfect for alfresco dining. The light filled kitchen links the two zones, with a custom study nook heralding entry to this relaxed domain. Class continues with polished timber floors, heating/cooling, double glazing and solar panels. Just a short walk to trains/trams, schools, cafes, Upfield bike path and Sydney Road's retail precinct, inspection will impress.
