Just under 50 squares, spacious Queenslander with wide verandahs and wide mountain views spread out on just under 8 hectares of pristine bushland with 2 dams, summer creeks and an abundance of native wildlife. This home is the perfect retreat for a nature lover looking for an escape in the beautiful Gold Coast Hinterland. Located only 10 minutes from local schools, Somerset College, Mudgeeraba shopping village and Robina CBD, this is a truly special property. At the end of a cul de sac, electric gates open to reveal a long driveway that meanders through the front block to reveal this impressive home with absolute character and charm. Features 4 bedrooms plus study/5th bedroom, large master bedroom suite with walk in robe and ensuite with double vanities, spacious open plan living areas, high vaulted ceilings with exposed timber beams and a separate media/games room, large kitchen with granite benchtops, oversize cooking range and walk in pantry. With a front veranda to unwind and soak in the amazing views and a back veranda overlooking the backyard and private lagoon style in ground pool, this home offers a serene and tranquil lifestyle for a family looking for space. The 7.93 hectares is mostly natural bushland and backs onto a larger nature reserve. There are many walking tracks to explore. The land has enough cleared grass areas for your family to mingle with the native wildlife and a large pad for building a shed/granny flat. Complete with air-conditioning, ceiling fans, slow combustion fireplace, covered parking for 4 cars, wood storage shed and large water tanks, this property is one of a kind. If you are looking for a hideaway in the beautiful Bonogin Hinterland, then this home is one you must inspect.
