With a favoured, north to rear aspect, this large family home will impress immediately with its magnificent façade, immaculate interiors and meticulously maintained exteriors and gardens. Entering through the wide front entrance, you know that you are in for a special treat as you head into the expansive, open plan living and dining area that looks out the gardens and opens onto the fabulous alfresco and outdoor entertaining space. Here, the superb kitchen is perfectly positioned to make everyday living and entertaining easy. Features include a large, stone topped island bench, 5 burner gas cooktop, ducted exhaust, a Bosch dishwasher plus a huge Butlers' pantry, fitted with loads of shelving, bench space and a sink. If you need extra living space to spread out, then there is also a separate media room, which is the perfect escape to enjoy your favourite movie. Let's start looking at the sleeping quarters, with the largest master suite you will find, easily accommodating a king size bed with still plenty of room to have a sitting retreat. With a luxury ensuite complete with a double hung vanity, shower and bath, separate WC and walk-in-robe, you will feel like you are in a first-class hotel. You also have direct access to a private, outdoor patio, ideal for a morning cuppa. The remaining three queen sized bedrooms are in a completely separate wing, along with another living area, making this an ideal kids retreat. All bedrooms have triple built-in-robos and are serviced by a large main bathroom with floor to ceiling tiles and separate WC. If you need a fifth bedroom, the large study/office will easily fix this. Head outdoors through wide stacker sliding doors to the very private, undercover entertaining area. With striking polished concrete flooring, this overlooks the inground pool, low maintenance lawns and established gardens. You won't need to buy veggies as the raised gardens beds are plentiful with fresh produce. - 6.6kw solar and LED lights- Ducted air conditioning throughout plus wood fire- Beautiful bamboo flooring and plantation shutters- Large study/fifth bedroom- Abundance of cabinetry in the laundry- Walk in linen press plus single door storage- Extra wide, double remote garage with storage/workshop area- Pest and building report available This immaculate package is within minutes to SCAS, local retail complex, medical facilities and a short drive to the CBD and beaches.
