Located in popular Newtown this is a must for owner occupiers and investors to inspect. This much loved home is packed with so many extras! You'll love the private fenced yard with inviting patio to take in the nurtured grounds. There's good street access to the double shed complimented by highset double carport. Quality solar has recently been added plus reverse cycle air conditioning. The floor plan uses space efficiently with separate living options, high ceilings and second toilet off the rumpus. The galley kitchen and bathroom have both been updated with style and functionality in mind while keeping the original polished floor boards. There's so much more on site an inspection will not disappoint. - Storage - New Screens - Updated Kitchen - Updated Bathroom - Powered Shed - North East AI Fresco - Fully Fenced - New Solar System - Built In Robes - New Carpet - Rear Access
