The Craig Harper Team says if you are looking for an affordable family home or another one to add to the portfolio, then this modern, low set property located in the "Killara Estate" should be at the top of your inspections list. Conveniently located within minutes from shopping centres, public transport, childcare, primary and high schools, this property ticks all the boxes. There are 4 bedrooms in total, all complimented with built-in robes and ceiling fans. The master has a walk in robe and ensuite. A study nook is located at the entrance to the home, will add a convenient and a separate space for the kid's to do their homework or a work from home opportunity. The open plan kitchen and living area is air conditioned for all year round comfort. The kitchen boasts Caesar stone bench tops, separate oven and cook top, dishwasher, double sink and enough room for the big fridge. It also flows out onto the covered alfresco area where you can entertain family and friends, while the kids watch a movie or play some board games in the media room situated at the front of the house. Additional features include, but are not limited too – separate laundry and extra large linen cupboard, double lock up garage with internal access, fully fenced 303 sq m fully fence block, security screens and low maintenance front yard and gardens. If this property sounds like it could be the one, then call Craig today to arrange your inspection.
