\$3,000,000

Set in the highly coveted front row on Killarney Crescent with ocean views and a large grassed reserve, this majestic home is large and spacious and has been lovingly maintained to the highest standard. The property sits on an impressive 1311m² block with stunning manicured gardens and magnesium pool complete with solar heating and thermal blanket for an extended swimming season. Speaking of swimming, it is just a short 700m stroll via the underpass to the sands of Sharpes Beach or the iconic surfing and fishing hotspot of Boulders Beach. Whether you're watching the whales swim by, enjoying the sun set over the hinterland, or just taking in the picturesque lawns and gardens, there is a beautiful outlook in every direction and this is one of the few homes that can see Byron Bay lighthouse and the flash of its light as it sends a beam out across the water. The house itself has 4 bedrooms plus separate study, with 2 separate living areas and a covered outdoor entertaining area. The master bedroom is large and roomy and features a spa en-suite, walk in robe and has its own private balcony. The new kitchen has plenty of bench space, a walk in pantry, quality appliances including induction cooktop, mirrored splashbacks and has drawers for days! With a favourable eastern aspect you will be first to watch the sun rise over the water in summer and can enjoy a cold drink and watch it set over the hills in the evening and you are never far away from a cool sea breeze on a hot afternoon. Skennars Head is located halfway between Lennox Head and Ballina and is connected by fabulous walkways/cycleways and also hosts the prestigious St Anne's pre school, Holy Family primary school and Xavier Catholic College High School.
