This absolutely meticulously maintained home will be snapped up, it presents picture perfect and has all the room a family could wish for. Enter into the kitchen and dining area, this is very sizeable, the kitchen features gas cooking, exhaust hood, double stainless steel sink and a good sized pantry. Flowing off the dining area is an enormous lounge room, that has a wood combustion heater and has sliding door to an undercover entertaining area that looks onto the front manicured lawn and garden area. The master bedroom is enormous and has a large ensuite, walk through robe and study nook. The bedroom has French door access to its' own private undercover area. The other three bedrooms are of a good size and have built in robes, they are serviced by a full size bathroom with a separate WC. The grounds are magnificent, everything is so well maintained and manicured, if it is storage you are after you will be more than impressed with the size of the shed and its appointments.
