Perched high on the banks of the mighty Murray River, this classic weekender offers an affordable opportunity to secure a property in such a highly sought-after position taking in sensational panoramic river views. Very neatly presented, the 2 bedroom 'shack' would make as the perfect weekend escape or better yet, enjoy it year-round. Step on into the open lounge / dine / kitchen area with S/S RCAC, then through to the master bedroom with BIRobes & taking in the views, simple yet clean and functional bathroom and through to the sunken 2nd bedroom / kid's sleepout. A large laundry / utility room provides a great storage space too. Excellent parking and garaging in the way of a single carport attached, then through to the double carport (that could be used for the kids to scoot on) and further onto the 6m x 5m double lock-up garage. Neat rear lawned backyard, also great for kids and pets, all fully fenced and secure. A front porch taking full advantage of the wonderful vista is perfect for morning coffees too. But one of the best features the property offers is the extensive jetty / boat mooring opposite, imagine setting up on the reserve at the water's edge enjoying a day on the water, skiing, sailing or just cruising. A classic riverfront property, not pretentious, just a neat, tidy and very comfortable home in a sensational location. *Currently tenanted to excellent tenants at \$250pw until 31st August, 2024.
