Delivering an unmatched blend of elegance and functionality, this distinguished 4-bedroom home captivates with its show-home style and unparalleled alfresco integration in the prestigious Aurora Estate. Prepare to be enchanted by the seamless flow between each and every space, where the boundaries between functionality and luxury living effortlessly blur. The allure of timber floors leads you beyond the formal lounge to an open-plan living and dining space at the rear, where a sophisticated kitchen boasts stone waterfall benchtops elegantly framing top-quality appliances and creating a culinary haven that will inspire your inner chef. Seamless indoor-outdoor integration is facilitated by dual sets of sliding doors that step onto the covered patio, extending and immersing within the refined rear yard space. Upstairs, a haven of tranquillity unfolds with four bedrooms, led by the master suite with a walk-through robe and ensuite, supplemented by a family bathroom, separate toilet, and two more living spaces on the upper level. Equipped with a range of features to enhance your comfort and security, it comes with CCTV and an alarm system, ducted heating, evaporative cooling, split-system air conditioning, and a double garage. Located mere metres from Edgars Creek primary and secondary schools, as well as shops, parklands, and freeway access, it offers the utmost convenience without compromising on its quiet, family-oriented locale.
