A family oasis of sublime design in the heart of Niddrie, this Mancini Made masterpiece combines architectural flair and cutting-edge style to deliver an indoor/outdoor lifestyle that's equal parts opulence, elegance and inner-urban convenience. Well-proportioned and meticulously detailed, the home's vogue interior boasts four bedrooms (extra-large master with fitted WIR) complemented by three luxurious bathrooms (two ensuites) and a guest powder room. Further highlighting its family appeal is the inclusion of a rumpus/lounge (upstairs) and spacious open living/dining area adjoined by a gourmet kitchen with exquisite stone surfaces, custom joinery, finest appliances and butler's pantry with second sink. Other luxuries of this modern showpiece include zoned heating/cooling, gas-log fireplace, coffee station/bar, premium carpets and herringbone engineered timber floors, along with double-glazed windows and high square-set ceilings throughout. Stacker doors reveal an alfresco entertaining area with BBQ kitchen and north-facing backyard sanctuary with fully-tiled gas-heated pool, plus a remote-control double garage with internal entry. The best of Niddrie at your fingertips including Keilor Road cafes, restaurants and vibrant retail precinct, it's also close to city-bound trams, Steele Creek trails and a range of schools, as well as easy access to the Calder Freeway.
